

PRODUCT CATALOG

Phoenix Manufacturing, Inc. is a family owned and operated railing, pergola, fencing, and outdoor product company established in 1991. Our love, dedication, and passion for our company, our customers, and our products can be seen in everything we do. All of us within the Phoenix organization share a commitment of excellence to offer products that will enhance your living area. Throughout the years, Phoenix still retains that same personal touch as the day we began while continuing to develop new and innovative product lines that are not only beautiful and functional, but are designed to last year after year. The Phoenix family is grateful to have the opportunity to work with you and will always strive to achieve and exceed your expectations!

Phoenix PVC Ambience Rail® and Mahogany Ambience Rail® -U.S. Patents #7419276B2, #7441919B2. For more information, please contact your local lumberyard or call 1-866-88RAILS

PHOENIX “FEATURES”

- ☑ **High Quality-** Phoenix rails are made of the highest quality PVC. Co-extrusion, premium resin, and the maximum amount of TiO_2 (a UV inhibitor which prevents yellowing) in the outer layer guarantees extreme durability as well as aesthetic appeal.

- ☑ **Easy installation-** Each rail kit comes knocked down in a box and includes all the necessary hardware and instructions for quick assembly. Designer rails comes pre-assembled.

- ☑ **Code compliant-** Our railing systems are designed to meet all building code requirements. Aluminum stiffeners are included in both the top and bottom rails for 6', 8' and 10' sections.

- ☑ **Low Maintenance-** Phoenix PVC rails will never rot, peel, flake, rust, splinter, or require painting. Easy to clean with soap and water or household cleaner.

- ☑ **Lifetime Warranty-** A lifetime transferable warranty is offered on all railing backed by the extrusion company.

- ☑ **Customized Rail-** To meet special railing needs, Phoenix offers custom stair degrees, rail heights, baluster spacing, and Roof Transitions. We also have Stair Setback Adapters, Right Angle Returns, and more.

PHOENIX “FACTORS”

☑ **Ambience Rail®**- This patented rail system incorporates LED lighting into the top rail to illuminate your deck area without the harsh glare of wall-mounted or overhead lights.

☑ **Curved Rails**- Custom radius railings are curved for the perfect fit, accentuating the contour of your deck. Templating is required.

☑ **Creative Design**- Phoenix continues to push the envelope with innovative styles, such as the original Mahogany Top Railing, Glass Balusters, Spider Web (shown), the Designer Series, and more.

☑ **Pergolas**- Available in standard size kits, or customer designed to fit any space!

☑ **Shower Enclosures**- Available in many sizes and arrangements.

☑ **Fencing**- Neighbor friendly styles are available with routed posts or mounting brackets. Phoenix fences are designed to last a lifetime, while maintaining a “just installed” appearance.

Description of Rail Kits

(Standard finished rail height is 36" for all systems)

PVC Rail Kits

(come with aluminum reinforcement in 6', 8', 10' sections)

Traditional

Conservative

Waterford

- **Traditional** (3.5" x 3.5" T-Rail and 2" x 3.5" Bottom Rail)
- **Conservative** (2" x 3.5" Top and Bottom Rail)
- **Waterford** (3.5" x 3.5" T-Rail and 2" x 3.5" Bottom Rail, with Sub Rail and alternating balusters)

Mahogany Rail Kits

(come with aluminum reinforcement in bottom rail in 6', 8', 10' sections)

Classical

Waterford

"Do It Yourself"

- **Classical** (3 5/8" x 2 1/2" Mahogany Top Rail and 2" x 3.5" Bottom Rail)
- **Waterford Mahogany** (Mahogany Top Rail, 2" x 3.5" Bottom Rail, with Sub Rail and alternating balusters)
- **"Do it Yourself" Wood Top** (7/8" x 2" Fillet Strip and 2" x 3.5" Bottom Rail)

Description of Rail Kits

Patriot Sub Rail Kit

PVC

Mahogany

The Patriot Sub Rail is a decorative mid rail add-on that is placed below the top rail into a Phoenix Square Baluster Rail Kit.

Woodgrain PVC T-Rail and 2" x 3.5"
Woodgrain Bottom Rail with ¾"
Round Black Aluminum Balusters

Available in Walnut or Gray PVC
(Walnut shown)

*Other styles and colors of aluminum balusters are available

*Ambience Rail ® is also available

Description of Rail Kits

'Deckover' Rail Kits

Complement your decking and use a matching deck board on the top of your railing!

PVC 'Deckover' Rail Kits with PVC Balusters

(Square or Colonial)

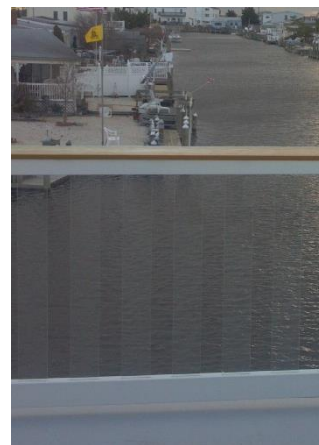

**2" x 3.5" Top & Bottom
Rail with Square or
Colonial PVC Balusters**

PVC 'Deckover' Rail Kits with ¾" Round Aluminum Balusters

**2" x 3.5" Top & Bottom
Rail with ¾" Round Black
Aluminum Balusters**

PVC 'Deckover' Rail Kits with Glass Balusters

**2" x 3.5" Top & Bottom
Rail with 4" wide Glass
Balusters**

- Deck board is not included, the customer uses their own top deck board.
- Kits are supplied with brackets 16" on center to attach top deck board.
- Additional brackets are available if required.

Description of Rail Kits

Woodgrain PVC Rail Kits

Top Woodgrain only

(Walnut with white balusters shown*)

PVC Walnut T-Rail and 2" x 3.5"
White Bottom Rail with White
Square Balusters

All Woodgrain

(Walnut shown*)

PVC Walnut T-Rail and 2" x 3.5"
Walnut Bottom Rail with Walnut
Square Balusters

*Walnut and Gray available

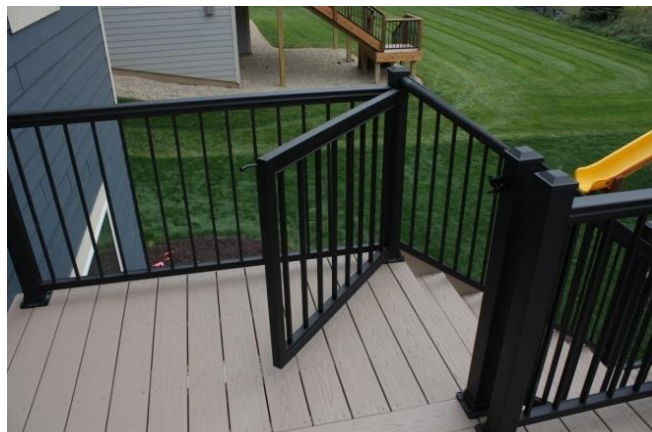

**Sand and Olive are special order; please call for availability

Description of Rail Kits

Aluminum Rail Systems

Aluminum Rail

(Colonial Top Snap, Bottom Snap, and Assembled Panel with 1/2" x 3/4" Balusters)

Available in:

- Black
- Bronze
- White

* 5/16" x 5" wide Glass balusters are also available

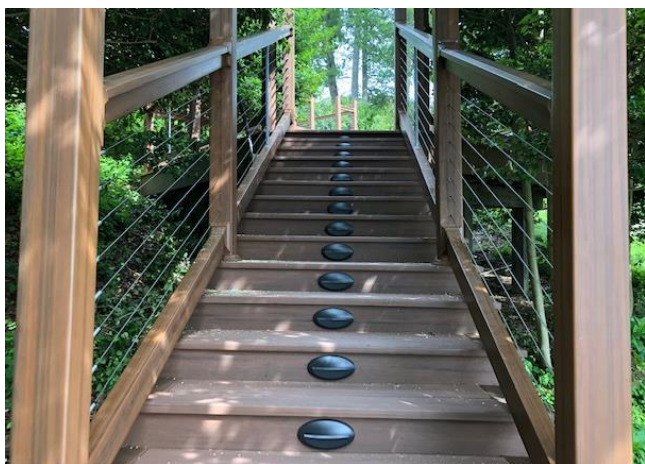

Mahogany Aluminum Rail

(Mahogany Top Rail, Bottom Snap, and Assembled Panel with 1/2" x 3/4" Balusters)

Description of Rail Kits

Cable Railing

Cable with PVC Posts

Cable with Aluminum Posts

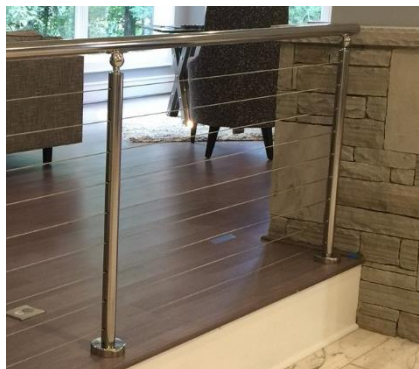

- 1/8" cable with lockjaw fittings
(tensioning & non-tensioning ends)
- Posts for level sections are pre-routed for Line, Corner, or End
(stair posts do not come pre-routed)
 - Cable can run up to 40' in a single linear span
 - Cable runs must terminate at every Corner and End
 - Intermediate balusters required every 40" between posts
- Distance between each post is determined by length of top rail
- Compatible with all posts & rail styles (PVC, Aluminum, INTEX)
 - Top rail is required, bottom rail optional

Description of Rail Kits

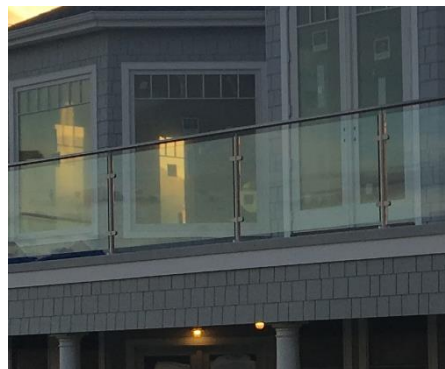

Stainless Steel

Stainless Steel Posts with Cable

1/8" cable with captive anchoring
& tensioning system integrated into
each post

Stainless Steel Posts with Glass

Posts with square or radius glass
grips to hold full glass panes
(glass panes provided by others)

Stainless Steel Posts with Crossbars

0.47" horizontal crossbars that connect on
the front of each post instead of in between

Description of Rail Kits

VueTube Railing

Black VueTube

Anodized VueTube

- Horizontal baluster tubing fastened with twistable sockets
 - Vertical blade baluster required every 4'
 - Create stair sections by using adjustable swivel adaptors
- Compatible with all posts & rail styles (PVC, Aluminum, INTEX)
 - Top rail is required, bottom rail optional

Description of Rail Kits

All Wood Rail Kits

Liberty

2 5/8" wide Mahogany Top Rail
and 1 3/4" x 2" Mahogany Bottom
Rail with 1 1/4" Square Balusters

Freedom

3 5/8" wide Mahogany Top Rail
and 1 3/4" x 2" Mahogany Bottom
Rail with 1 1/4" Square Balusters

- **All Wood Rail Kits come in 4', 6', and 8' level sections assembled – knocked down sections are available for stairs, or if specified**
- **Mahogany Railing comes unfinished – must be coated with an oil based stain BEFORE being exposed to weather**
- **Other profiles available – please contact us for more information.**

ALL Wood Rail

Did you know that Phoenix Manufacturing, Inc. got its start designing Cedar Railings? We have certainly come a long way since those early years, but we still have a special place in our hearts for real wood. We can do different styles other than the Freedom or Liberty, so please call the office for more information.

Liberty

2 5/8" wide Mahogany Top Rail
and 1 3/4" x 2" Mahogany Bottom
Rail with 1 1/4" Square Balusters

Freedom

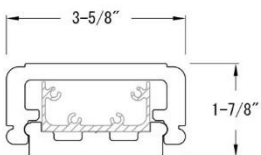

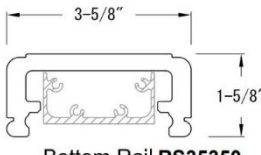

3 5/8" wide Mahogany Top Rail
and 1 3/4" x 2" Mahogany Bottom
Rail with 1 1/4" Square Balusters

- **All Wood Rail Kits come in 4', 6', and 8' level sections assembled – knocked down sections are available in stair or if specified**
- **Mahogany Railing comes unfinished – must use an oil based stain BEFORE exposing to weather**
- **Other profiles available – please contact us for more information**
