## DESIGNER RAILING

BENDITO-1 w/ Gray Woodgrain Top Rail

CHIPPENDALE

FORSGATE w/ Walnut Woodgrain Top Rail

SOUTH BEACH

### *Welcome to Artistry in Vinyl*

Phoenix Manufacturing has created their line of Designer Railing for the Homeowner looking to instill a personal touch into the exterior of their home. Designer Railing is specially manufactured on a per project basis. Each section of railing is custom fabricated and factory assembled to fit between previously installed posts. Dimensions for all sections of railing are required prior to production. All Designer Railing is available with Phoenix's Ambience® in-rail lighting system. Stair sections are only available in the Specialty Baluster designs.

In addition to the single "Panel" designs shown, "Panels" can be doubled and tripled within a section of railing for a more distinctive look. Please ask your Phoenix representative about these options.

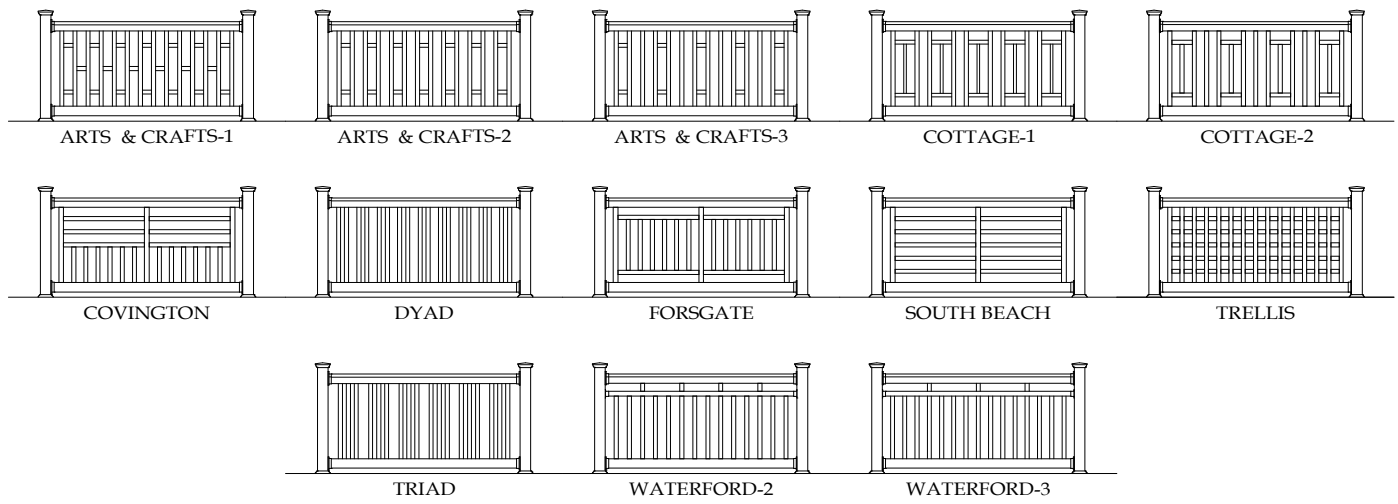

Toll Free Phone: 1-866-887-2457 • Fax: 732-380-1501
